took charge of Sergt Bennett and marched him. He requested us to take him to the Abode and lay him down for he was very sick. - He told us he had taken two a couple of drinks of Mescal and no more so. I believe that is all I know of the matter.

Question by the Court:

The call for the detachment was made
called before leaving camp to my

I first saw accused at a Rancho

Lieut Walker was present. Lieut Walker
gave accused no orders - When accused
came into camp he was bleeding and
seemed to have had a severe blow upon
the side of his face. I do not know
if accused was sober from drinking
or from the blow, he might have been
sober from the blow. Accused raised
no disturbance when he came into camp
he only complained of being very sick.
I do accused to the best of my knowledge
did not belong to the detachment.
When I Spoke of taking charge of
accused, I did not mean, I took

charge of him — as a prisoner — only to assist him.

General,

I have the honor to inform you that Lt. C. M. Walker Brev 2d Lieut of my Company, tendered his resignation as such and left to attach himself to another Company during his absence. I, supposing that his resignation as regards my Company was final & complete, accepted the tender of Thirty men raised by a gentleman (Mr Tunney) who has been promised by my Company the position of Brev 2d Lt in the stead of Lt Walker. These men are duly mustered & enrolled, and the service will be benefitted by accepting them. Lt Walker is extremely anxious to be detached from this Company to some other, or is desirous to raise a company for the War. I regret the determination of Lt Walker, but believe that his return from this Company will tend to promote the interest of the C.S. service.

Hoping you will take into consideration the above facts I have the honor to remain

Sir

I have the honor to report the arrival at this post yesterday of the Companies of Captains Donelly & Kelly without accident, or mishap of any character,

I found it impossible to procure transportation by water from St Marys to this point, was therefore compelled to bring the Train on, with the command. The Blockaders Lauches and the order of Major Shea. (I am told) have suspended all trade through these bays,

I have not yet completed my examination of the country around Talbot Shell Banks, but beyond the opinion that with a few boats, 3 or 4 peices of Artillery some lumber for bridges & the labor of our own and a few hired mechanics. The trade of these bays may be kept open, quite an active and important trade in Cotton, salt, meal, lumber, &c &c had been carried on with safety, the Blockades launches are roaming about the passes & bays every day to intercept passing boats, their movements are watched, and boats with a sufficient number of men to keep them at a distance are sent out whenever occasion requires,

Capt's Neal's & Morgan's men have exchanged shots with them twice, with what effect is not certainly known,

I have chosen the cavalry camps near to the other and both are 8 miles from Shell banks, the communication is by water only, There are several passes which require bridging of some length to make the communication complete by land, This will require timber which can be had from Capts Neal & Hendricks Klugts, when authority to purchase is given,

The Blockader lies in sight, from their mast head they can see all that's going on in our camps,

She is a Ketch rigged boat, draws ~~eight~~ 9 feet when
drawn from 5 to 6 miles. She was visited a short time since by
another vessel to be a regular mail, he carries 6 boats, which
are constantly employed in going & returning from Channels, from and
to the Islands for the Bank, Their available force is said
to be 137 men, They have had several conferences under flags
of truce, with citizens on the Islands, have burned ~~all the houses~~
on St Joseph's Island but two, and driven off all the citizens
but two, We are advising them to burn the houses on Shell
Bank also, & am considering the propriety of collecting the cattle
on the island and driving them to the mainland if it can be
done, on which point there are conflicting opinions,
The Steamboat Virginia now is now again 5 miles below us and in
a good situation to be met,
If a Company is placed on Shell Bank they will have to be supplied
with meat & water from mainland by boats once to the bridges mentioned
above are built, By using the dredging apparatus here, Judge Lee
read to a point 200 yards from Shell Bank could be reached and
then by laying a railway in a flat which can be had, the whole
command Cavalry & Infantry can be thrown over in an hour,
Another work must be constructed, which I will examine to morrow
and report upon it early.
The question of jurisdiction between Col Mitchell & myself seems not
to have delayed the movements of Capt Hoskins & Morgan, They have been
here since the 1st inst, They have many Mexicans and
deserters from the Ord Army of Scott in their companies
amounting but one hundred,
United the blockade vessels at present, two of pilots in
Balize or Ship Island, and 1, expected from 10 to 12. Oct with a
few boats and a steamer will be able to protect Commerce
through these bays,
There is a Schooner of 70 tons burden, owned at Corpus
Christi Hall & belongs to an association of Pilots at Galveston

She is a [illegible] 12 pounder on a Pivot
on her fore & six pounders in her, with a few bales of cotton in
sight for a breast work and the best part of a small crew, and then
sailing boats & guns, the launches would be sent out after
her, but would [illegible] be picked up, or at least frighten
so as to keep out of the [illegible]
I earnestly request that the necessary steps be taken to have
the two 6 pdr ammunition sent to Shell Bank immediately
I would also ask for 1. 12 pdr ammunition & authority to place
it upon the Scheme as also indicated and to use her as long
as necessary in the interests of commerce &c, and also for
authority to procure lumber, for barges, employ hands and
materials, &c, as may be found and can be shown to be
necessary for the efficiency of the Troops here, I believe three
Days would do a great benefit than 200 additional troops
Rather than delay in this matter I would undertake the
erection of a Battery for the 12 pdr myself —
Capt Sinclair has two old iron 6 pdr, but thinks it
will burst, He has also a small brass 6, with a band
around the muzzle, he has a pair of boat carriage wheels
which he would fit upon,
We have found that the 12 pounder Rifled mountain
have been sent to Ingles from Pensacola, These are not
the kind we want, but will take them if they are for us
and cant do any better, We understand there is no ammu-
nition with them
Direct to Fort Pickens —

RECEIVED
ADJUTANT GENERAL'S OFFICE

Head Quarters, 8th Reg. Lt. Inf. U.S.A.
Fort Brown, December 31st 1861.

Capt. Wm. G. Freeman,
A. A. A. Genl. West. Mil. Dist. of Texas,
San Antonio, Texas.

Sir,

Since my last, I have had more time to investigate the State of affairs on this frontier, into the condition of the command assigned me for its defence; and I regret to inform you that they are deplorable enough. The difficulties now existing in the neighboring Mexican State of Tamaulipas, have so totally changed the commercial condition of affairs from what they were but a few months since, as to deprive us of many facilities upon which we once calculated and depended. The civil war extends over almost the entire State, and renders intercourse and transportation precarious and unsafe, - so much so, that it is with extreme difficulty that the means for this service can be procured upon the line of the Rio Grande; and when they do so, it is at very high rates and in small quantities. The presence of hostile forces in such immediate proximity to this post, increases our embarrassment in this respect tenfold, as they siege, confiscate and consume nearly everything.

The Quarter Master and Commissary

of subsistence has used every exertion to procure forage and subsistence, but to obtain more than enough for a few days at a time has been impossible - There is no certainty at any time that a sufficient supply will be on hand for the ensuing issue - To day, we have but a single load of Flour on hand, and not more than a few days forage - nor can I now see any probability of ~~ship~~ obtaining more - I have, therefore, directed him to make a requisition on San Antonio for such stores. The difficulties further embarrass us, by paralyzing the efforts of such friendly merchants as are disposed to aid and assist us - much of this means and nearly the whole of this usual facilities being for the time completely deranged - The want of money, has too, been most discouraging and nearly fatal to our interests - The credit of the Govmt being wholly gone - And although now supplied with Confederate notes by the Quarter & Commissary Departments, they are almost wholly useless, as but few are willing to take them, and those who do, invariably charge from 25% to 30% higher prices for what we purchase, than would be the case had we Gold & Silver: besides, no other currency is at all available in Mexico, from whence we must procure the principal articles needed - Many things needed by us might possibly be procured and have an supplied with Specie but those who possess them will not incur the risks attendant upon their delivery when

they know me here only prepared to give in exchange. These facts, I glean from the correspondence of Lt. Col Bachelor, have been forcibly urged upon the attention of the Commanding Genl. That it would seem to be almost useless to reiterate them; but I feel so deeply impressed with the certainty that should an enemy land, under circumstances will so unfortunately exist as to almost compel a withdrawal to the interior.

The hope of a final adjustment of the difficulties in and about Matamoras seems now as distant as ever. For several days they have had but little or no firing, since re-inforcements and a new supply of ammunition. We shall, therefore, for the next few days be annoyed by their pistols, which will, as heretofore, consist only in noise and smoke.

The desertions from the command have been repeated by repeated by Lt. Col. Churchill. and since my arrival several have occured. The condition of the troops is such that I must candidly confess I am not in documents offered by the parties on the other side of the river. The most of them are but scantily clothed, and have received no pay; they know the state of the Govmt. as well as I do myself, and also the difficulties attendant upon procuring supplies; they are fully aware of the inadequacy of the force now here, to resist a force such as the enemy are likely to land with of the

~~difficulty of obtaining additional troops~~
the unpopularity of the Rio Grande service,
and of the difficulty heretofore experienced
in raising additional troops. You must
cannot, therefore, considering all these circum-
stances, but avoid the conclusion at which
I have arrived that, cause enough exists
to discourage and dishearten them.

Permit me again to urge upon you the
absolute necessity of sending forward as
rapidly as possible additional Infantry
companies. We now have but three
Infantry and three Artillery Companies,
but one of which, Capt Hampsman's, is
filled to the minimum established by law;
and I see no probability of these being filled
up, unless recruits can be sent down from
the interior.

It is also of imperatively necessary
that funds to pay off the troops should
be furnished the Quartermaster at as early
a day as practicable - Unless this is done,
I fear it will be impossible to maintain
a desirable degree of discipline and subor-
dination, and to imbue them with an
esprit de corps so very essential to a suc-
cessful ~~but~~ and satisfactory performance
of our duty.

The report of a Board of Officers now
investigating the condition and amount of
Ordnance stores on hand at this post, will be
forwarded so soon as prepared; I hope by the next
Express -

I have the honor to be, Sir,
Very Respectfully,

RECORDING DIVISION
WAR DEPARTMENT
RECEIVED

R. M. Atmar 3d sergeant of Captain J. M. Odell's Company (I) of the 4th Regiment of Texas Cavalry C. S. Confederate States Army, was enlisted by Lieutenant E. R. Lane, of the 4th Regiment of Texas Cavalry at San Antonio, on the Twenty ninth (29) day of September 1861, to serve during the period of the war, or three years.

He was born in Marengo County, in the State of Alabama, is Twenty four (24) years of age, five feet nine 9/12 inches high, light complexion, blue eyes, Auburn hair, and by Occupation when enlisted, a Medical Student, during the last two Months, said soldier has been unfit for duty, every day, because of a wound received at the Battle of Valverde New Mexico, on the twenty first (21st) day of February 1862. which deprives him almost entirely of the use of his right arm. the wound being caused by a grape shot striking him just above the hip joint in the right breast, thereby injuring the muscle in front and behind so that he cannot raise his arm without great inconvenience.

Station Camp Allonton La. / J. M. Odell Captain Commanding 4th Regt Texas Cavalry

Date August 10th 1863.

Camp Morton August 12th 1863

I certify that I have carefully examined Richard M Simon 3rd Sergeant of Captain O'Neil's Company "I" 4th Regt I. C. and find that he is incapable of performing the duties of a soldier because of Gun Shot Wound of Chest Contracting the Muscles of the arm restricting the Movement to a great extent almost Sentencly debarring him of the use of his Limb. He is an old Wound received at the Battle of Pea Vine in his right side of Chest affecting the right arm.

I therefore respectfully recommend that he be discharged from the Confederate States Service

Mrs. Emma Britt
Route No. 1
Springhill, Louisiana

Dear Mrs. Britt:

Reference is made to your letter of 13 January 1952, herewith returned.

The records show that Joseph F. Bonner, a private of Company F, 4th Regiment Texas Cavalry, Confederate States Army, enlisted 25 September 1861, at San Antonio, Texas, aged 27 years.

Union prisoner of war records show that he was captured 14 April 1863, at Bayou Teche, Louisiana; imprisoned at Phrophet's Island, below Port Hudson, Louisiana; New Orleans, Louisiana and was sent to New Iberia, Louisiana, 21 December 1863, for exchange. Received at New Iberia, Louisiana, 23 December 1863, by the Confederate Agent for Exchange.

The company muster roll for 29 February 1864, latest on file, shows him absent "Furloughed to Mch 1, 1864." No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

It is possible that some information pertaining to a pension on account of the service of Joseph F. Bonner, can be obtained from the Auditor, State of Arkansas, Little Rock, Arkansas.

Sincerely yours,

WM. E. BERGIN
Major General, USA
